

## UNIVERSITY DIPLOMA PANTHÉON SORBONNE MSC. IN ECONOMICS (PSME)

### Created in 2007, The Panthéon Sorbonne Master in Economics is meeting a triple challenge:

- Train international English-speakers in the field of Economics at the Master level and in French.
- Prepare students for further specialization in the 2nd year master programs in France (Ex. Panthéon Sorbonne and Paris School of Economics, Toulouse School of Economics) or elsewhere in Europe (Ex. London School of Economics).
- Build a world-wide network of highly educated, open-minded individuals with expertise in various fields of economics.

### ACADEMIC BACKGROUND

- Students with a bachelor's degree in the field of Economics or related field with substantial coursework and knowledge in Economics and Mathematics.
- Professionals with at least 2 years experience striving to enhance their initial background or are interested in a career change.

### SELECTION PROCESS

- ▶ **International english speakers :**  
CV, letter of motivation, 2 letters of recommendation, academic transcripts, bachelor's degree, an English language certificate for non-native English speakers, a copy of passport, PSME Application form downloadable at [psme.panthéonsorbonne.fr](http://psme.panthéonsorbonne.fr).
- ▶ **French students :**  
Licence in Economics + English language certificate , CV, motivation letter, 2 letters of recommendation, academic transcripts, PSME Application form.

All students should check [psme.panthéonsorbonne.fr](http://psme.panthéonsorbonne.fr) for up to date procedures and accepted test scores.

Some students may be requested to pass an interview.

Application to be made electronically on [ecandidat](http://ecandidat) for EU citizens and from countries not using Campus France Etudes en France procedure.

Students coming from a country where Campus France Etudes en France procedure is in place must follow this procedure for application and local deadlines.

### MAIN CAREER OPPORTUNITIES

Most PSME students complete a specialized 2<sup>nd</sup> year of graduate studies offered at the University before beginning their career. Those that complete further studies in the 2nd year or go for further training in a PhD hold high level positions in the public or private sector.

Some students choose to find work directly after the PSME and hold positions such as Economic Advisor, Analyst, Associate, Officer, Consultant, or Manager in Government agencies, banks, or in the private or public sector.

### MAIN PARTNERS

University of International Business and Economics (Beijing, CN), Centre d'Économie de la Sorbonne, Campus France

**Companies and organizations where alumni work :** OECD (Organisation for Economic Co-operation and Development), UNESCO, European Commission, European Parliament, European Central Bank, International Monetary Fund, World Bank, Agricultural Bank of China, Total, BNP Paribas, HSBC, Education : Access.

### MISCELLANEOUS

A graduation ceremony and annual alumni meeting takes place in the fall.

## ADDITIONAL INFORMATION

- Teaching staff : mainly academics and some professionals.
- Course duration : 588 hours, 60 ECTS, September until June.
- Optional Internship : 3 months min or 6 months max part time, no credit.
- Location of teaching : Maison des Sciences Economiques (Paris 13th), Sorbonne (Paris 5th), or Panthéon (Paris 5th), Centre Censier (5th).

## THE DISSERTATION

Students select a research topic in relation with their professional project and choose an advisor among the program's professors.

The master thesis must be turned in by the end of the academic year.

## SPECIALIZED TRACKS

In addition to the general program, PSME proposes three specialized tracks, with specialization courses in these fields.

**The Financial Economics track** includes specialization courses in finance (Econometrics, Finance Market and derivatives, Computer Programming for Applied Financial Economics, Principles of Finance, International Finance, etc). Students will be well prepared to access the Master 2 «Financial Economics» (in English).

**The Development Economics track** include specialization courses in development (Development policies and Development Macroeconomics). Students will be well prepared to access the Master 2 «Development Economics» (in English) or «Sustainable Development Economics» (In English and French).

**The International Economics track** include specialization courses (European Integration, International Trade, Applied Finance, Topics in environmental economics). Students will be well prepared to access the Master 2 program «Commerce International et Environnement» (in French with some courses in English).
